Sri A. BHEEMAPPA NAIK.—Was there a Procurement Order dated 28th April 1952, and a Press Note also in regard to procurement?

Sri H. SIDDAVEERAPPA.—I have referred to the order of 10th April 1952.

Sri A. BHEEMAPPA NAIK.—May I know whether there was another order published in papers on 29th April 1952 with regard to levy system, i.e., procurement?

Sri H. SIDDAVEERAPPA.—It is not a Press Note.

Sri A. BHEEMAPPA NAIK.—Was that not a publication by the Secretary of the Food Department?

Sri H. SIDDAVEERAPPA.—Yes.

Sri A. BHEEMAPPA NAIK.—Is that not Government Order?

Sri H. SIDDAVEERAPPA.—It is not a Government Order in a sense; it was only given by way of publicity to our agriculturists informing them about the shape of things that may come about.

Sri A. BHEEMAPPA NAIK.—Shall we hereafter take that such orders issued by the Secretaries are not Government Orders?

Sri H. SIDDAVEERAPPA.—I did not exactly mean that, Sir.

Sri A. BHEEMAPPA NAIK.—In that case, shall we take that there is no other order than that of 10th April 1952 as regards procurement of food-grains?

Sri H. SIDDAVEERAPPA.—Sir, my Hon'ble friend is aware that it is a matter which is yet under the consideration of Government. Broad outlines of the policy of Government with regard to procurement have been given there. That is only the skeleton, the details will have to be worked out.

Sri A. BHEEMAPPA NAIK.—In the matter of procurement, will the Government be pleased to state whether they would take this House into confidence before passing the final orders?

Sri H. SIDDAVEERAPPA.—Sir, a day has been allotted for the food debate. I would request Members of this Hon'ble House to tender their valuable advice on this matter also on the day of food debate.

Sri A. BHEEMAPPA NAIK.—What is the total procurement made during the year 1951-52 in the State?

Sri H. SIDDAVEERAPPA.—You want procurement?

Sri A. BHEEMAPPA NAIK.—I have definitely asked you information about it. But the answer has not been given for (c) "the amount of profit likely to be made by them out of the sales of food-grains procured in the State during 1951-52." No definite answer has been given to this Sir.

Sri H. SIDDAVEERAPPA.—Sir, the procurement as it stood on 1st July 1952 for locally procured grains is,—

Paddy ...	16,17,811	pallas
Vishaki ...	24	"
Ragi ...	1,48,482	"
Jola ...	11,732	"
Other minor grains	4,780	"

ಶ್ರೀ ಎ. ಭೀಮಪ್ಪನಾಯಕರು.—ಏತ್ಯ, ರಾಗಿ, ಜೋಳ ಮುಂತಾದ ಪೈತಿಯೊಂದು ಧಾನ್ಯವನ್ನೂ ರೈತರಿಂದ ಯಾವ ಬೆಲೆಗೆ ಕೊಳ್ಳಲಾಯಿತು ?

Mr. SPEAKER.—It is given already.

Sri A. BHEEMAPPA NAIK.—Not here.

Mr. SPEAKER.—But the Members are expected to know the rates.

Sri A. BHEEMAPPA NAIK.—The rates at which these are procured during 1951-52?

Mr. SPEAKER.—Yes.

Sri A. BHEEMAPPA NAIK.—They have not been given.

Sri Kadidal MANJAPPA.—They have been notified.

Sri A. BHEEMAPPA NAIK.—I am submitting that the Hon'ble Minister has not given exactly the profits made in this procurement.

Sri H. SIDDAVEERAPPA.—I made the position absolutely clear Sir, that this Government have not made any profit out of these food-grains.

Sri A. BHEEMAPPA NAIK.—I am only asking whether the Government have not made profit out of the food-grains procured in the State?

Sri H. SIDDAVEERAPPA.—No, Sir.

Sri A. BHEEMAPPA NAIK.—What is the rate at which paddy is being sold to-day; I mean paddy equivalent of rice which is being sold to-day?

Sri H. SIDDAVEERAPPA.—Sir, with regard to rice, to-day we are selling first grade rice at Rs. 66-10-8 per palla and Second grade rice at Rs. 56-4-0 per palla.

Sri A. BHEEMAPPA NAIK.—I am requesting the Hon'ble Minister to let me know the rate at which paddy was procured also?

Sri H. SIDDAVEERAPPA.—This paddy was procured at the the following rates: First grade Rs. 21 per palla and Second grade Rs. 19 per palla.

Sri A. BHEEMAPPA NAIK.—Jola and Ragi?

Sri H. SIDDAVEERAPPA.—At the rate of Rs. 20 per palla.

Sri A. BHEEMAPPA NAIK.—The rate at which it is being sold to-day?

Sri H. SIDDAVEERAPPA.—We are not selling it at that rate Sir. I am submitting that both the imported grain as well as the locally procured grain will be brought into a pool and then we fix the issue prices. That is how issue prices are fixed not only in Mysore but in other States as well in India.

Sri A. BHEEMAPPA NAIK.—I am only asking you to let me know the rate at which food-grains: ragi, paddy, etc., are being sold, whether locally procured or imported?

Sri H. SIDDAVEERAPPA.—Sir, I have already given to my Hon'ble friend the rate at which rice is sold.

Sri A. BHEEMAPPA NAIK.—Ragi and Jola?

Sri H. SIDDAVEERAPPA.—Rs. 25 per palla.

Sri A. BHEEMAPPA NAIK.—What is the loss incurred on account of the difference in the prices of imported food-stuffs and locally procured food-stuffs?

Sri H. SIDDAVEERAPPA.—The loss in regard to imported food-stuffs that this State would have to incur is as follows:—

	Rs.
Rice ...	14,55,000
Wheat ...	62,20,000
Milo ...	2,23,10,000

Sri A. BHEEMAPPA NAIK.—How much of it will be made up by the rise in prices of the locally procured food-stuffs?

Sri H. SIDDAVEERAPPA.—Altogether Rs. 90,00,000.

Sri P. R. RAMAIYA.—There is a reference to 'State borders' in answer to (a); I would like to know how many State borders are there?

Sri H. SIDDAVEERAPPA.—Do you want the names of the taluks?

Sri P. R. RAMAIYA.—I want the number.
